

Maine B.A.S.S. Nation Tournament Trailer Reservation Form

Please use this form to reserve the Maine B.A.S.S. Nation Tournament Trailer. See the www.mebass.com Calendar for reserved dates

All reservations will be posted on the mebass.com web site. Clubs should use this web page for the latest updates on current reservations and where the trailer will be available on any given day. Your club may, if agreed upon by the club that has the trailer reserved and at an event on any day, choose to pick-up the trailer at that clubs event when they are done with it. By doing this it may save both clubs a trip to Bill's Repair Service for return or pick-up of the trailer. It would be a good idea to check over the trailer and contents before leaving from any event.
